Reinventing Yourself: Frightening, Exciting or Both?

Amee Sandhu | MentorCore with Lisa Beth Lentini Walker & Daniel Ayala | Feb 10, 2021

The Fear

1. Being a Jill/ Jack of all trades, master of none
2. Fear of leaving behind what you know. What if you regret leaving or changing?
3. Lack of title. Also known as: what if others get ahead and I stay in the same place or fall behind?
4. What if I get stuck in lateral moves, instead of going higher?
5. But I don't know anything about the new area, and everyone will see that
6. Re-proving myself. Every. Time.

The Excitement

1. Love of learning.
2. Excitement. Growth. Challenging self.
3. Pursuit of what interests you.
4. Remember why they hired you.
5. Perspective is everything. "Grooming you for the C-Suite."
6. By the 2nd time, you can do anything
